

AST Access Control Maintenance Details

AST LTD

Annual Access Control Maintenance starting from £280 per year

The Annual Preventative Maintenance package consists of 2 scheduled maintenance per year and consists of the following:

Access Control – Perform back up and check Software, load any required firmware upgrades and compact and repair databases.

Door Closers – Ease and adjust if necessary door closers on doors with Access Control.

Locking – Lubricate and check door locking on doors with Access Control.

Once the Maintenance visit has been completed a full report will be sent to you for your reference and if required a quote of any further work found during the visit.

Contract doesn't cover damages, faults and damage from vandalism.

All other works will be charged at £98.00 for the first hour and then £78.00 for every hour or part thereof. Parts used will be charged at our Standard List Price.

Breakdown of Costs	Total Cost
Basic System with Software up to 4 doors	£180
Basic System with Software up to 10 doors	£300
