

AST CCTV Maintenance Details

AST LTD

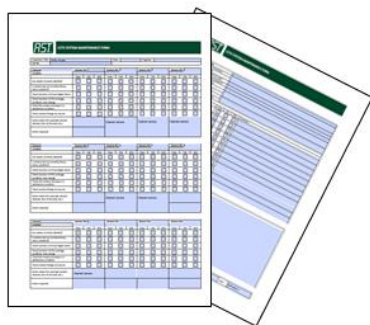

Annual CCTV Maintenance starting from as little as £299 per year

The Annual Preventative Maintenance package consists of 2 scheduled maintenance per year and consists of the following:

Digital video recorder – Check functioning of the DVR and correct log in details/ correct time & date

Monitor – Check the monitor, check the cables and power supply.

CCTV Cameras – Check all cameras are functioning correctly, clean cameras, adjust positions accordingly and check cables.

Once the Maintenance visit has been completed a full report will be sent to you for your reference and if required a quote of any further work found during the visit.

Contract doesn't cover damages, faults and damage from vandalism.

All other works will be charged at £98.00 for the first hour and then £78.00 for every hour or part thereof. Parts used will be charged at our Standard List Price.

Breakdown of Costs	Total Cost
Basic CCTV System with 1x DVR up to 4 Cameras	£299
Basic CCTV System with 1x DVR up to 8 Cameras	£379
Basic CCTV System with 1x DVR up to 12 Cameras	£459
Basic CCTV System with 1x DVR up to 16 Cameras	£539
One off System Take Over Cost up to 8 Cameras	£150.00
One off System Take Over Cost up to 16 Cameras	£250.00

Please Note: If a site has high cameras beyond a ladder, additional costs will apply to include the hire of Access Platforms or Cherry Pickers.

This is our standard and most popular Maintenance Contract that we provide. More comprehensive Plans are available.
