United House, BR8

AST LTD

Installation of new double main entrance doors and screens

A screen has been fitted to divide the existing ramped lobby in half. Screen is fitted on plinth installed by others to level the floor.

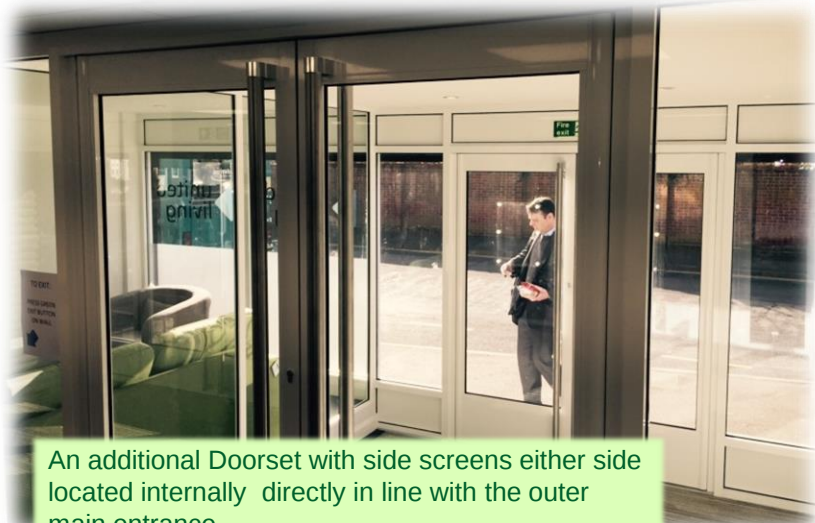

Powder coated aluminium entrance screen glazed in laminated safety glass and sealed units.

Doors to incorporate:
Concealed transom closers
Anti-finger trap stile
Security hook-lock
Low profile threshold
Tubular handles
Mortised magnetic locks in head

A large single screen installed behind the Reception desk. Manifestations to include 1m high modesty frosting and then United House logo above.

An additional Doorset with side screens either side located internally directly in line with the outer main entrance
